## INVITATION TO "2017 MOON FESTIVAL"

- Dear All Parents of Young Children in Washington D.C., Maryland and Virginia,
- Dear Representatives of Vietnamese-American Associations in the Washington Metropolitan Area,

As a Vietnamese cultural heritage, "Moon Festival" (or "Tết Trung Thu") is considered a traditional event for young children of every community to gather and enjoy themselves at the Mid-Autumn time of the lunar year. NHÀ VIỆT NAM (Vietnamese Cultural Center) will be holding a "Moon Festival" in that tradition, and also to encourage young children in the Washington Metropolitan Area to participate in community activities. This year's festival will include a "talent contest" with monetary awards, as we realize the necessity for development of children's special talents at their early age.
